FINDING PLEASURE WITH THE BARMAID

The Barmaid's Smile

I was on my third glass of tomato juice, and I hadn't even made it into the restaurant proper. Six-thirty, Billy had told me we'd be meeting, but the clock on the wall was showing ten past eight and still I was seated on a barstool looking miserable and lonely. A pretty barmaid was hovering around me, waiting to refill my glass. I let out a long, deep, disappointed sigh, which immediately caught her attention.

"Hasn't he come yet?" she asked, flashing me a sympathetic smile.

"This is the fourth time he's failed to show in the last few weeks," I said, spitting out the words with genuine venom. "He'll tell me he's working late again, but I've seen his new blonde secretary, so I know what 'working late' really means."

"Men, eh?" said the barmaid, laughing. "You can't live with them; you can't live without them."

I looked into her eyes and gave her a smile. Little did she know that I had once lived without men for over a year. I was fresh out of college and unsure of where my life was going when I met a gorgeous older woman who taught me lots about life and even more about myself. Before meeting her, I had always thought of myself as straight, but she somehow managed to change all that. She had a way of always making me feel special—she'd tell me how good I looked, how sexy I was, and she'd always make sure that I was satisfied in bed.

Sadly, back then, I thought of myself as being much too young to settle down. Fourteen months into our relationship, I left her for a guy, and as a consequence of my rashness I've been playing the dating game ever since. Billy was just the latest in a long line of dating failures.

"This one's on me," said the barmaid, taking my glass and refilling it with yet more tomato juice.

I didn't have the heart to tell her that I was totally sick of the stuff. It was the first act of kindness that I'd had paid to me in ages. If only Billy could be that thoughtful, I found myself thinking. He'd been messing me over for weeks, but I'd always given him a second,

then a third, then a fourth chance to make things up. The meal was supposed to be his very last chance, and he hadn't even bothered to show. I'd made such an effort for him, too. I knew that he liked me in a slinky back dress with black stockings and my hair all tied back. I'd spent over an hour in the bath and then another hour making up to look good for him.

I should have known I'd be wasting my time.

"I might as well call it a night," I told the barmaid, draining my glass. "This is one lady who can and will live without guys if they don't treat her right."

"In that case, don't go yet," she said, placing her hand on top of mine. It was as if she'd been waiting all night for

me to say those words. “You’ve made such an effort. I love the way you’ve done your hair, and that dress is so sexy. Why waste all that hard work? Stick around for an hour and take a walk with me.”

Officially, I was still dating Billy, but the barmaid’s face was one big smile, and I simply couldn’t resist it. She reminded me a little of the older woman I’d dated. She had the same bobbed haircut framing the same pretty, feminine features.

I leaned right over the bar to check out her body. She wore a tight black miniskirt and an even tighter white blouse, which really showed off her well-developed chest. It was hard not to stare at her glorious mounds, but she didn’t seem to mind the attention.

“It makes a nice change from being ogled over by a lot of dirty old men,” she said, catching me looking.

“Can’t you leave early tonight?” I asked, unwilling to wait any longer.

“You like my tits that much?” she asked.

“I like all of you that much,” I replied.

I hadn’t expected her to just walk out like that, but that’s

The barmaid pressed her body up against mine and began to kiss me with an almost fevered passion.

exactly what she did. She left two middle-aged guys standing by the bar with dollar bills in their hands and led me out into the street.

After all those months of neglect at the hands of Billy, it felt wonderful being led through the streets by a sexy young woman. “I live close by,” she said, squeezing my hand and then releasing it so she could move her body in close to mine.

I felt her arm slip around my waist, and at once she was close enough for me to smell her perfume. The beautiful scent of a sexy lady filled my nostrils. I put my hand on her butt and gave her cheeks a gentle squeeze.

“You really can’t wait, can you?” she commented, and she was right. I couldn’t.

Luckily, her apartment was less than a block away. She undid her door and ushered me into her living room. I waited for her to shut the door and then pushed her up against it.

“I want you so much,” I said, pushing my hands against her tits and circling her lips with my tongue.

“You can have me as much as you like,” she replied, opening her mouth wide enough for me to push my tongue between her lips.

Suddenly her hands were everywhere. I felt her fingers groping my butt-cheeks through my dress; then I felt her hands yanking my dress up my body and over my butt. Her

fingers ran down my thighs and played with my stocking tops; then they climbed up my garters and pushed beneath my silk panties.

I felt my pussy beginning to get wet as the barmaid’s fingers caressed my butt-flesh. Her tongue was in my mouth, and her kisses had grown so passionate that all my memories of Billy were swiftly vanishing into thin air.

“Come to the bedroom,” she said, breaking away from our kiss, but I didn’t want any further delays.

“Here on the floor,” I said insistently, immediately starting to pull off her top. She lifted up her arms, and I removed her blouse; then I reached around her smooth, tanned body

and undid her bra.

As I pulled her bra straps down her arms, her beautiful tits came springing out, all bright and perky. The barmaid pressed her body up against mine and began to kiss me with an almost fevered passion. I felt like the heroine in a Hollywood movie being swept up into the arms of the leading man.

The barmaid gyrated her bare breasts against my upper body, using her mountainous cleavage to try to tease my tits out of the front of my low-cut dress. It didn’t take long before the force of her passion had pushed them out of their hidey-hole. Bare flesh met bare flesh as her enormous breasts squashed directly up against mine.

My nipples were already erect just from her kisses, and

as they brushed over hers it was like an electric shock was shooting through my body. Her hands were groping at my butt-cheeks once again, but soon I felt them reaching down and under my body till she was fingering my pussy through my silky panties.

“Take them off,” I told her, and she immediately started to drag them down my thighs until they got to the point where my thighs were thin enough for them to fall the rest of the way down my legs. I stepped out of them and pulled my dress off over my head.

Suddenly I was totally naked, except for my stockings

and garter belt. This beautiful woman had me totally under her spell. Juices began to drip down my thighs as I thought about her naked body mounting mine.

I lay down on the carpet and spread my legs wide apart, while the barmaid stood over me, removing her miniskirt and her panties. I saw her smile as she eyed up my glistening pussy; then I closed my eyes and felt her climb on top of me. Her muff brushed through mine as she squirmed her crotch all over my wet pussy.

My juices quickly had her pussy feeling just as hot and sticky as mine was. The room began to smell of our juices, and the scent drove both of us wild.

I clamped my thighs around the barmaid's body and planted kisses all over her face. She tweaked my nipples and then cupped the whole of my breasts within her hands,

which had me screaming out loud with lust.

Her pussy was still softly rubbing over mine, our juices combining and soothing the level of friction between our bodies. Turned on by the sensations, I reopened my eyes and watched as the barmaid started to kiss her way down toward my pussy.

I could feel her smooth body sliding down my stomach. Her tits were pressing into my navel, and her lips were kissing my shoulders, then my breasts. I ran my fingers through her dark, bobbed hair and gently pushed her head toward my waiting hole. My pussy trembled in anticipation. I felt her lips brushing over my muff and then her tongue upon my clit.

She began to lick me, slowly and carefully, making sure to sense out the most receptive parts of my erogenous zones. Her tongue certainly knew its way around a pussy. I could

I lay down on the carpet and spread my legs wide apart, while the barmaid stood over me, removing her miniskirt and her panties.

really feel the sparks flying as she toyed with my clit, then maneuvered her tongue down my lips before slipping it a little way inside my hole.

I gasped as her tongue pushed inside me, breaking through the barrier made by the internal muscles of my pussy. I felt those muscles shape themselves around her tongue, but no sooner had they settled than she was pushing her tongue a little deeper inside me.

As her tongue continued its journey ever onward, so her lips pressed up tight against the lips of my hole, making it feel just as though she were french-kissing my pussy. I wrapped my thighs around her head and held her there, screaming with passion as she pleased me with her tongue.

My pussy kept on getting more and more juicy, and the barmaid clearly liked the taste of those juices. The more oily I became, the faster she licked me out, and that, in turn, made me even more oily. At times, it felt as though my whole being were dripping out of my pussy and into her mouth. I felt so alive with her tongue inside my hole, especially when she reached up and began to caress my breasts at the same time.

The sensations all over my body were starting to overwhelm my mind. It might have been just her mouth sucking at my pussy and her fingers pulling on my nipples, but I was feeling the excitement of her touch in every single part of me. My thighs had turned all goosebumps, and my toes were starting to curl. Moments later, I felt my clit begin to tingle, and that quickly led to a whole heap of intense screaming.

My pussy throbbed, and a sea of juices poured out into the barmaid's waiting mouth. I felt my whole body convulse, and my clit went into a long series of deeply sensuous spasms.

The barmaid lapped up every last trace of my juices, flicking her tongue in and out of my lips. She looked up at me with a great big smile on her face.

It might have been her who had done all the hard work, but it was me who was totally out of breath. I was flat on my back, completely exhausted, still feeling the orgasm working its way through my body.

I shut my eyes and relished the moment, only to be awakened from my stupor by the feel of a wet pussy pressing against my lips.

Opening my eyes, I saw the barmaid squatting over my face. Her gorgeous tits towered over me as she brushed her pussy over my mouth. I took hold of her butt-cheeks and began to lick away at her pink lips. The taste of her pussyjuices filled me with lust, and soon I was pushing my tongue deep inside her hole.

The barmaid started groaning. My tongue was licking her senseless while my fingers were gently fondling her butt. I could see her squeezing her own tits as she sought to maximize the level of pleasure building up in her body, and I decided to add to it myself by fingering her butthole.

I shoved my middle finger between her legs so I could

lubricate it with a mixture of my saliva and her juices. My middle finger grew wet and sticky as I pushed it first inside my mouth and then inside her pussy.

It didn't take long to make it wet enough for penetration. Once it was ready, I pulled it out of her pussy and then went back to work on that with my tongue. While my tongue resumed going down on her, my middle finger moved back toward her butt and, after a few gentle pokes to warm her up, I pressed it deep inside her sphincter. Immediately, the barmaid wiggled her butt backward, forcing my finger deeper inside her butthole. She let out a groan as it traveled farther into her; then she began to swing her hips back and forward, making my finger repeatedly penetrate her butt and making her pussy squirm all over my face.

I felt her juices smearing over my cheeks and my mouth and my nose and my eyes. It turned me on so much that I began to finger-fuck her butt with extra speed. My sticky finger darted in and out of her crack, producing a series of sexual sensations that made her pussy so wet, I feared that I was going to drown in her juices.

I jabbed the whole of my middle finger inside her. She pushed her pussy down into my mouth, and her juices came spurting out all over me. I looked up and saw her throwing back her head in ecstasy as her body gave way to orgasm. Her pussy continued to throb in my mouth, and I felt my own pussy start to quiver, as I got off on the taste of this hot girl.

Just the flavor of her juices and the sensation as I swallowed them down was enough to make me come again. I had found a lover with whom I felt totally at one.

Once the intensity of our orgasms had begun to subside, the barmaid stood up and had me follow her into the bedroom. She curled up in my arms and quickly fell asleep. I kissed her forehead and watched her sleeping for a time, before eventually drifting off into contented dreams of my own.

The next morning I got home to find a message from Billy on the answering machine. He was begging my forgiveness and telling me to meet him at a bar that we knew in town at eight o'clock that night. I thought of all the good times that we'd had together and also of all the second chances that I'd given him. In my pocket was a piece of paper with the barmaid's phone number on it. I could still taste her juices on my lips, and it made my mind up for me.

I clicked the erase button on the machine and felt my lips forming into an enormous grin as I thought of Billy sitting in that bar at eight o'clock and nine o'clock and ten o'clock. This time, it was Billy who could wait. I'd be getting my tomato juices at a different bar that night, and I could already picture the smile on the face of the pretty barmaid as she poured.

She certainly was an expert at juices...not just tomato but pussy especially.

VANESSA

The winter in Vermont is way too cold for me to take so I couldn't wait for Spring Break. I used to go to Florida but this year I'm going to try Texas, to South Padre Island. I hear it's quite the party beach and I really need that about now. I promised my man one last fuck in my bikini, and I promised to stay loyal to him, but he knows I've strayed before.

SMALL, BUT I CAN TAKE IT ALL

PUSSIES AND MOUTHS AND COCKS, OH MY!

READY FOR MORE

Brad! watch the road,
not us!

Ok, you told me you wanted me to wear a mini dress for my new date, so I arranged to meet my brand new fella. Brad, my hubby, was the driver for the day, so we called for Steven at his place on the way to the date. I met him on a swing site and we had swapped pics and chatted there for a bit.

Steven is a 6 footer, and sexy, in late 20's, very virile and was always hard when we spoke. He said he had a few older ladies who called him round when they needed a good service, so that was suiting me just fine.

I asked him if he was bothered if Brad was about, he said "Naah, no problem, I ain't fucking him love!"

I love his dick, it is not the longest at 9" I ever had but it is so thick. Brad said he thought he had played with or retouched the pics? But I was about to see for myself now.

We pulled up to his apartment and Brad tooted his horn as arranged. Ste-

ven stepped out from the door, I was well pleased with what I saw, very hunky in his jeans and tight t-shirt, his hair short and wearing a pair of cool shades. I was already in the back of our car, so in he stepped, closed the door and said 'hi' to me, ignored Brad and kissed me. I was away, his lips smacked mine and were hot and ready for more. He held me and kissed again, peeking down to my legs and said 'amazing.'

I told Brad to drive to a park about twenty minutes away. I was all over Steven, stroking him and kissing loads. The split in my skirt fell open showing Steven my smooth thighs. I could see his pants growing as he was excited by me. His eyes looked at his bulge and met mine looking there too, he nodded as if to say it's okay to put your hand on it!

I could see Brad watching not the road but us in the mirror as I stroked Steven's enormous bulge. Fuck it was really fat in there! This gave Steven instant relief and he moaned as I stroked him gently, his fat finger parting my thighs and rubbing my pussy though my panty.

Now I was moaning with Steven as he worked his finger under my panties and into my pussy. "Fuck," he whis-

pered into my ear "that is tight."

I told him "Yes I am, I hope I can please you, you're so big!"

We pulled into the parking area of the country park; quite a few cars there already. Steven stepped out and helped me out. When we stood next to each other he was a lot taller than me, even with my heels on. He was taller than Brad, loads taller. I and the rest of the world could see he was still hard in his pants, he was cool about it, though.

He took my hand and we set off walking. We had gone not far when he said, "Let's have some fun babe." Then we sat on a bench and he kissed me. His hand went into my dress at the top and he lifted out a big breast, then sucked the nipple hard. I loved it, the other hand back on my pussy, which now was very wet, "Mmmm that is better." he said.

He undid his buttoned fly and out fell this hug very fat rocket. Wow, no kidding, this was a fatty boy. A couple of rubs with his big hand and it was up in the air! He stood me up facing away from him and pulled down my panties. They were stuck round my feet, so I wobbled about as he pulled me down, stopping as the tip of this soda can

BLAIR-NTS-09

sized dick hit my pussy opening. Since I could not open my legs I slid about on his helmet until he rammed home!

I tensed up as the weapon hit home, pulled me onto it and I sank slowly onto all 9" to his eager hot balls. I tried to flip off the panties, but they were stuck on my shoes?

"Brad," I said, "be a love and get my panties. He reached down and lifted them off my shoes, now I could open up a bit, enough to let his hot balls out between my thighs. I stroked and squeezed them, lovely and hard and very full. Just then Steven pulled me up onto his lap just in time as some people were passing us. Brad had vanished, too, probably back to the car.

By now, Steven was well up my pussy, I could feel his hardness and pulsing all the way. With his hands around my waist, it just looked as if I was sat innocently on his knee! As the people went by, he started to grind away at my pussy; I was just cummin' and cummin' with each hard up stroke. My pussy was at full stretch and full of huge cock. Again a few young guys walked past, rather slowly as they were looking at us suspecting something may happen soon! Little did they know I was already sitting on a fat volcano, one that was about to erupt soon.

Steven stopped pumping his big shaft and we tried to look all innocent, whilst these guys were about. I had my legs shut and my summer mini dress

pulled down as far as it would go! Steven had never removed his pants, so I guess we looked all OK?

Those guys did not go but sat nearby opposite us on the grass. I was wanting more from Steven now so I wriggled about on him and as I did his hands clamped my waist tightly and I could feel my pussy tensing. Then a hot stream of man cream scalded my pussy! Steven had lost control and had cum in me, he grunted as I sat still and left him to finish firing into me.

I moved sideways so I could see Steven and kiss him too. I wanted to love and thank him for his hot gift. I shuffled round trying to keep my dress down! Steven helped me to come round and held and kissed me passionately as a lover does when he has done his hard man's work in a lady. His dick was still very hard and ready for more action. Those guys left finally; I think they knew what had happened to me?

"Fuck lady." Steven said. With that he pulled me up and we ran behind a the bushes. No messing about; up went the dress over my back and up went Steven. He parted my ass cheeks and helped himself to his spunk lined pussy!

I looked up and there was Brad cowering in a hedge. Steven saw him and gave him a thumbs up in front of my face. This big fatty dick was really opening me up! I was going crazy and cummin' loads. Steven yelled as he shot out a huge load, which seemed

never to stop, then smacked my bare ass as another jet relieved itself deep in me somewhere?

He stood me up still buried in there, his bis, fat monster bending round into me, then plop out it slid with spunk dripping onto the leaves. My pussy gaped and would not close!

CALL SECURITY

I'm just doing my job

I'm a security guard in a office skyscraper in Chicago's Loop. I saw her as soon as she got off the elevator, walking across the hallway in that short skirt she had on. I told her to be careful because the floor was wet and she smiled at me and said thanks. She was a looker.

She walks into the small stationery store right next to my station near the elevators.

Some fifteen minutes later I returned from my rounds inside the mall area and noticed that the door hadn't closed properly to the stationery shop. There was an opening of about two inches, just wide enough that I caught a glimpse of a sight I won't ever forget. There was that pretty girl, on her knees, right in front of that Gregg guy. You know the type. The young stud. Nice looking kid. Not much else going

for him. Well, he's sitting at his desk with his pants down to his ankles and this pretty girl is on her knees, sucking him off. Well, I've been a security guard for twenty-two years and I thought I'd seen it all. Until then.

She had taken off her short skirt and was down to a g-string. A lacy red one that showed every inch of her ass. She had his cock in her hand and was slowly taking about half of his length into her mouth like she was sucking a lollipop. I stood at the doorway peeking in at this incredible sight. She would take his penis into her mouth and hold him there, then very deliberately drag her lips all the way off.

I watched her do that a number of times and it was pretty obvious that this Gregg guy was enjoying every second of it. Admittedly, so was I. My cock was like a broom handle trapped inside my dark blue pants. The guy's hands were on her shoulders but he was letting her have complete control. And why not? This girl was obviously an excellent cocksucker.

Soon the girl let go of his cock and placed her hands on his bare thighs. Then she started to pump on his dick in earnest. I'll be damned if she didn't take every bit of him down her throat and like I said, this kid was hung.

I could see he was getting close because he had his hands wrapped in her hair, forcing her to take all of his dick in her throat. No problem for this

girl. She kept sliding him in and out, lunging down onto his cock. I thought he would cum in her mouth but instead she got up and turned around. I watched her slip out of her little panties. Her pussy was shaved bare. She leaned across his desk, legs spread, with her ass towards him which meant she was facing in my direction. I pulled back so they wouldn't see me.

The guy got up and took his position behind her. She closed her eyes for a moment as his finger stroked the length of her pussy. I heard her moan, "Oh, yeah," when he stuck his finger inside her. He fucked her with his finger a couple times before she asked him put his cock into her. Gregg probed her slit with his cockhead once or twice then sank in to the balls.

That did it. I shoved my hand into my pants down and grabbed hold of my woody. That Gregg kid had her by the hips and was pounding her pussy from behind with so much force that he actually moved the desk. I stood at the doorway, stroking my cock, watching this unbelievable scene unfolding before my eyes. Then I got careless and bumped the door.

The guy didn't hear it, but the girl did. She looked up at me and to my amazement, she smiled. I smiled back and continued to jerk off. She never took her eyes off me after that. She started to hump back

against him. Reaching up with one hand, she yanked her top up, exposing her breasts to me. They were nicely shaped and her nipples were hard as diamonds. She put on a show for me. Wiggling her ass, pinching her nipples, licking her lips. I momentarily wondered how I was going to explain a pool of cum on my pants.

But all good things come to an end. Gregg's stroke became more erratic, his breath ragged. He lunged into her and tightly grabbed onto her bare boob with one hand, the other yanking her hair backwards. He drove her hard as spurt after spurt coated her insides. Soon after, he sagged into his chair, his cock wet with his cum. The girl turned towards him. Kneeling down, she took his cock back into her mouth. I saw her gingerly stroke his balls while he gently stroked her hair. I had a clear view of her wet pussy. Her pussy lips were swollen and red. Having finished, I thought it best to leave at that point.

About five minutes later she was standing at the shop's door. Turning back, she waved 'bye' to Gregg. She was dressed as she was when she first came in. She closed the door and walked to the elevator bank and pushed the up button. As the elevator arrived and the door slid open, she turned to me and blew me a huge kiss and smile.
